

COLOUR WHEEL UMBRELLA

Materials

Red, blue and yellow paint (or pencil crayons/crayons)

Pencil/eraser

Paper

Instructions

Umbrella

Draw a big circle in the middle of the paper

Mark 6 dots at even intervals around the circle (parent help)

Connect the dots opposite to each other with a straight line, making the lines intersect

Raincoat

Draw a triangle shape coming out of the bottom of the circle - this is a raincoat

Draw boots at the bottom of the triangle

Draw a wavy circle shape around the raincoat and boots - this is a puddle

Add 3 little circles to the raincoat as buttons

Painting the Umbrella

Paint/colour the umbrella. Add red paint to one triangle, skip a space. Add yellow to the next triangle, skip a space. Add blue to the next triangle, leaving the next space blank.

Once you have painted on your primary colours, you are ready to do some mixing.

Mix red and yellow. What colour did you make? Add that colour to the space between red and yellow.

Mix yellow and blue. What colour did you make? Add that colour to the space between yellow and blue.

Mix blue and red. What colour did you make? Add that colour to the space between blue and red.

Complete your picture adding raindrops and colour to the boots/rain jacket!

Check for Understanding

What are the primary colours? (red, yellow, blue).

What are the secondary colours? (orange, green, purple).
