

Egg Carton 10 Frame Math

1 egg carton (2 parts cut off)
1 deck of cards
10 small items (rocks, lego, buttons...)
Optional paper/pencil

Remove all face cards from the deck. Use the A to represent number 1

When building a 10-frame always start at the top left if it is lengthwise and bottom left if it is longways

Show the number
1 is 4 less than 5
1 is 9 less than 10

Show the number
4 and 1 more 5
4 and 6 more are 10

5 and 2 more is 7
7 and 3 is 10
7 takeaway 2 is 5

5 is half a 10 frame!

This is a great way to play with numbers...recognition, what does it look like, beginning decomposition skills and addition skills!

9 is 1 less than 10
