

SHADOW DRAWING ACTIVITY

MATERIALS

Flashlight

Paper

Tape

Pencil

INSTRUCTIONS

Tape paper to the wall at child's height

Child stands beside the wall (far enough away to create a shadow)

Position flashlight to create a shadow of the profile of child's face

Adult or helper draws an outline of the silhouette of the child's head

When the silhouette is complete they can write 5 or more words describing him/herself on the inside of the silhouette.

Decorate the entire inside of the silhouette with drawings, shapes and colours that describe you (eg. nature, lego, purple, hearts etc.)
