Shape Building

Using materials from around the house try and build 2D shapes. As you are building the shapes make a note of how many sides (edges) and how many corners (vertices) each shape has. To extend your learning try and make 3D objects. As you are building your shapes you can use the chart on the next page to record your findings.

Potential building materials:

Popsicle sticks
Marshmallows
Pipe cleaners
Jelly Beans
Toothpicks
Playdough
Pretzels
Grapes
